

Immaculate Conception School

Where faith and knowledge meet

Fall, 2010

Dear Parents:

The Immaculate Conception School Library encourages everyone to participate in our Birthday/Gift Book Program. This program assists in providing new library books for I.C. students while commemorating birthdays and honoring loved ones.

Here is how you can participate:

You and your child/children may select a book from the prepared list attached to this letter. This list includes titles of hardbound books with a brief description and price. The number of books and selection will vary during the year. (Most books will be priced 10 dollars.)

A bookplate will be placed in each book purchased. This bookplate will state who purchased the book and whom it honors. For example, *This book was purchased by Mr. and Mrs. John Smith, in honor of Joe Smith, September 2007.* When possible, your child will be the first to borrow the book from the library. Gifts will be acknowledged with a thank you note as well as the bookplate. (If you do not wish to have this information publicized, we will respect your wishes.)

What a great way to make a memorial contribution or a holiday gift! This program is available to anyone who would like to honor children, family members, or even special friends or teachers by donating a library book in their name. If you would like to make a special donation or need additional information, please contact Mrs. Connor at 636-7680.

We thank you in advance for helping to make our library better through our Birthday/Gift Book Program.

Sincerely,

Charlene Connor
Immaculate Conception Librarian
