

# Math-A-Thon

## February 16-26

I sent Parent Consent Forms to the teachers on 2/4/10 to go home with the students (Grades K-8). I need to have these back by 2/12/10. The students will not be able to participate until we have a signed form.

Once I receive a signed consent form, I will send home a Math-A-Thon funbook (if they requested a printed version) or they can go online to complete. I will need to order donation envelopes once the consent forms are received. If students would like to get a jump start on their fundraising, you may download a sponsor form from [www.mathathon.org](http://www.mathathon.org). When their envelope arrives, they may transfer all donations to the envelope.

Sponsors pledge a flat donation amount (\$5, \$10, \$20 or more) for the student to participate. Please remind your students to thank their sponsors and let them know they are helping St. Jude Children's Research Hospital. Our goal this year is \$6000.

Student donations are due 2 weeks after they receive their Math-A-Thon Funbook and Sponsor Form Envelopes. All Funbooks and Sponsor Forms need to be returned to the office no later than **Friday, February 26, 2010** to be eligible for prizes.

*Thanks,*
