

Thanks to all those parents who helped with the testing either by volunteering as a reader, preparing the information sheets for 2nd and 3rd grade, by giving your students a good start to the day, or by making sure they had enough sleep. We had several absent students but with wonderful help, we were able to get the testing finished and sent off for scoring by Thursday, the 8th as directed.

October is stacking up to be a very busy month.

- We have the food drive for the Samaritan Center currently going on until October 29. Your contributions are greatly appreciated.
- October 16, we will have a 1 PM dismissal
- Parent/Student/Teacher Conferences will be held October 22 and 23
- Book Fair begins October 20th and goes through the 23rd
- October 29, we will have Crazy Day for students in grades 2-8
- October 30, students are encouraged to wear a red shirt with uniform pants for Red Ribbon Week ending. Also, those classrooms who host Halloween parties will have them going on that day too.

Have a happy Halloween!!
Blessings,
Marlene Kuster
