Welcome back to school!! Thank you to all those school families who used the Scrip program this past school year. We earned approximately \$38,000 of which 50% went to school families' registration fees and the other 50% helped purchase new textbooks for the school. We would strongly encourage all school families who have never used the program to give it a try! It is a win/win situation for all! If you have never used the program and do not understand how it works, please do not hesitate to call Janie Wyrick at the school office on Monday, Thursday or Friday from 9:00 a.m. – 3:30 p.m. or you can e-mail her any questions at [jwyrick @icangels.com](mailto:jwyrick@icangels.com).

Scrip orders will continue to be filled daily. You can either send the order to school with your child or you can come to the school office during normal business hours (7:30 a.m.–3:30 p.m.) to pick up any scrip that you might need.

Merchants:

BP Gas is still available to order in \$50 and \$100 amounts. BP Gas is no longer an option here locally but there are still locations in other cities.

Changes

Roly Poly – has changed their percentage from 25% to 20%.

Feel free to use the Great Lakes Scrip website (glscrip.com) to see what merchants are available other than those listed on our scrip order form.
